# New Forum Categories

Posted by crystalcross - 23 Mar 2011 00:32

---

We've recently created some new forum categories entitled "Investigators Corner".

Within this major category you will find:

Equipment Exchange - to buy, sell, trade hunting equipment.

Equipment Reviews - where you can post your opinions about equipment you have purchased or used.

and also

Member Only Area - this is a private area only available to registered members.
