EVP captured in our house

Posted by capot1948 - 03 Jun 2012 16:13

Finally got some good headphones. Going through some old EVP sessions in our house I came across these. I know what I and my wife hear, I'd like to hear from others as to what they think is being said.

First one sounds like "I coming right for you player"

Second on is more difficult "bet I'm coming" but after that its difficult to hear.

Thanks, I'll have to listen to the 2nd one again. Maybe pull out the original for another listen. My old ears aren't what they used to be so I may have missed something.
