Thomas House EVP "The Whistler" 9/28/2012

Posted by SVPR08 - 19 Oct 2012 01:39

_____

This recording of "The Whistler" was captured during a walk-thru investigation on 9/28/2012 at The Thomas House. The whistle is very faint so listen closely midway thru recording.

_____

I could hear a short whistle about half way thru, cool keep up the good work.
