This Week's Afterlife Report By Victor Zammit

Posted by Steven Matrix - 13 Jan 2012 15:24

Folks,

I post this site from time to time and this week the articles are exceptional. Victor Zammit is a retired lawyer in Australia who presents the case for the afterlife. Enjoy: www.victorzammit.com/week4ed/

Hey CC:

One of the articles on the site is about a camera that was developed that they say can photograph consciousness [if I'm getting the story straight].
