Villesca Axe Murder House

Posted by poptart - 13 Jun 2012 02:11

_____

Hi there, I will soon be investigating the infamous axe murder house in Villesca, IA. I know this location gets investigated a lot, I just want to see if I can have my own experiences there. Has anyone here spent the night there before? Did you have any personal experiences? Did you catch any evidence? I just want to hear other peoples experiences with the place.
