Session at WB Cemetery

Posted by LishaM01 - 16 May 2011 01:16

Here is my interpretation of what was said.

Does God know your name?: "Gregory"

Gregory, are you a spirit or an angel?: "A Guardian" (Not sure of this)

(Mike) Has there been somebody following me?: "Guardians"

There's something following me dude. Is it evil or good that's following me?: "Listen." "You gotta listen." "Listen." "Probably--You see--evil"

==========
