I want to Invite some Questions.

Posted by marchhier - 30 Mar 2011 15:11

_____

I know alot of you out there have things that have happend or is happening now. Go ahead and feel free to ask. It is possible for folks to send me info on the computer and for me to help them, Does not have to be questions about being sensitve, question about things that are so to speak "haunting you". Sometimes i can help via computer sometimes if to detailed i can not...but hey give it a shot.

Laurie
