Results from recent investigations(one live)

Posted by BHPI Josh - 03 Feb 2012 21:19

_____

Gang, we have been working feverishly on getting our analysis done for the past few investigations. We've been busy! Those who tuned in to the live investigation of the apartment(Mark, Mo, myself present, we lost the feed/site for a bit in the middle), we have some VERY interesting audio. Not trying to torture anyone, but it will be worth the wait while we reveal and get it posted. Some neat stuff. Stay tuned!
