_____

Ghost Adventures is on right now and they are at Waverly Hills Sanitarium which has been investigated and discussed on this forum by members.

_____

Yes, Waverly is certainly a large and eventful location. Several members from here have investigated there including the ParaTravellers.

I generally TIVO most shows anymore and may watch them later. I reserve the real interest for live events on here. That tends to be the real thing! Not that the ones on TV are not, but there are possibly alternate motives and motivations.
