I'm coming

Story of the home is that 2 years ago a man was found murdered after he broke into his girlfriends house to attack her, supposedly he stabbed himself in the chest 3 times.

I will attach my clearest EVP's through out this thread.. I have about half a dozen from this 3.5 hour investigation)

Remember to fairly often throw in some control questions. To make sure the answers match against something known. It limits the possibility of random answers.

3 new EVPS posted here...well i did further research on the home and the murder.. the man named Donald (now thinking my one recording didnt say John, but maybe Don, He did not die 2 year ago, he died there August of 2011! These are the third tenants since then

I grabbed a few of my other investigators evps, and saw 2 of her video clips, I cannot wait to get them downloaded , so I can paste them.

One sounds Like "I want to crack her"

the second one seoncd Like, Wow, I m going to give it to her (?)

hmmm, I'll have to listen to that again, yesterday evening, while there only until 10pm, it was pretty much quiet everything we got was EVP, w/out the box.

I got them saying the tenants name Keri,

and when I asked them if they (two investigators who were heating something up in the kitchen if they had burnt some thing I got a yesss) it kind of sounds like a camera type hiss yes, but they were clearly cooking a pizza in the oven, without equipment)

I also asked them if they wanted them to stay or leave, sounds like it says "Stay"

Other than that quiet.

Since the tenants refuse to go back into this home (we've uncovered some violent threatening and sexually threatening EVPS, that they have asked us NOT to post) the whole team is going to steak out in the home for 24 hours to do a thorough follow up with ALL of our equipment this Wednesday.

Do any sensetives have any idea how the names Greg & Jacob may be tied to the home? We also got a childs voice and a womans voice ontop of "Donald"

I am trying to do some land research, since the only online records are only from 1960 to present.

I can run some cards with 'Greg' and 'Jacob' in mind ...or if I had something specific you wanted me to run cards on. When I have some quiet time tomorrow I will see if I get anything. Maybe I can run them on Donald? and from that Greg and Jacob will come into play.
