Heres some new EVPs from the other night

Posted by www.beyondbeliefparanormal.co.uk - 15 Jun 2011 00:52

_____

Please have a listen to these EVPs and let me know what you think, all opinions are more than welcome

_____

Sounds like you're saying "Com'on, I know you're here..."

At which point it responds "...So..." or "...No..."   Very nice catch.

_____

Very good catch. It does sound like it's saying so to you after you say we know your here. Keep them coming.

_____

Really nice work. The open air EVPs are so gratifying. I almost cried when I captured my first one.
