Headphone usage is definitely needed for this one. Let me just say, it is rather interesting. This file is unaltered for file integrity.

EVP : D0019_ComeBack.....

Questioner:

Q: Would you like for me to come back?

(*Note: Whatever the heck answered....it appeared to be more than one entity...)

A: "you come" (a weird voice), then creepy man's laugh, and then "you come" (in a woman's voice)

Opinions?
