How do you find places to investigate? Posted by poptart - 13 Mar 2012 19:02	
Hey haunts, I have a question for you	
I'm having a hard time finding places to investigate. How do you find new locations? Ive done a lo web research but it seems the only places I can find are either public places or private locations the wouldn't be accessible at night. How do you approach the property owners about a possible investigation? Do people come to YOU with cases? If so, how do they find you? I live in Minneapor	nat

and its only just becoming warm enough to be outside at night. Are there kinds of locations that are
