Folks,

I post this site from time to time and this week the articles are exceptional. Victor Zammit is a retired lawyer in Australia who presents the case for the afterlife. Enjoy: [www.victorzammit.com/week4ed/](http://www.victorzammit.com/week4ed/)

Hey CC:

One of the articles on the site is about a camera that was developed that they say can photograph consciousness [if I'm getting the story straight].
